ATOL is the UK's financial protection scheme and protects you when you book an ATOL protected holiday with an ATOL holder. It will provide support so that you are not at a financial loss or without assistance abroad if your ATOL holder ceases trading.

Some of the flights and flight-inclusive holidays in this on this website are financially protected by the ATOL scheme. But ATOL protection does not apply to all holiday and travel services listed in this on this website. Please ask us to confirm what protection may apply to your booking. If you do not receive an ATOL Certificate, then the booking will not be ATOL protected. If you do receive an ATOL Certificate but all the parts of your trip are not listed on it, those parts will not be ATOL protected (if you do not receive a certificate please ask your consultant to provide a certificate for ATOL protect components of your holiday) Please see our booking conditions for information, or for more information about financial protection and the ATOL Certificate go to: www.atol.org.uk/ATOLCertificate
